FEATURED COURSES FROM THE CURRICULUM

"MODULE : ENTREPRENEURIAL TOOLKIT"

This course is designed to equip students with the essential tools to become successful entrepreneurs through a blend of theoretical concepts and practical exercises. During the eight-week semester break, students will have the unique opportunity to launch a group entrepreneurial venture under the guidance of experienced mentors.

"BUSINESS INSPIRATION"

This course is designed to ignite students' inspiration and motivation to pursue their future careers by allowing them to explore themselves in the real business world. Through a series of engaging lectures, case studies, and guest speakers, students will explore the stories of successful entrepreneurs, learn about different industries, and develop a mindset of resilience.
